ABOUT PARTNERS FOR HEALTH

Partners for Health is committed to addressing the health needs of populations that are vulnerable to health inequities. Proceeds from our Annual Golf Tournament support interventions on behalf of those who struggle to put food on the table, those who are one step away from financial misfortune that could leave them homeless, and those who lack permanent housing.

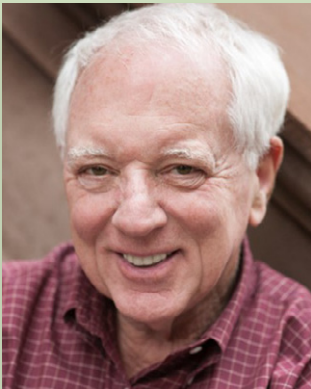

Learn more at partnersfdn.org.

As president of the Mountainside Hospital Advisory Board and a director of Atlantic Health System, Co was instrumental in identifying and negotiating the sale of Mountainside Hospital to Merit Health System in 2007. In 2012, as a Trustee of Partners for Health Foundation, the successor to the Mountainside Hospital Foundation, Co led the team that negotiated the lease of the Foundation's interest in the land underlying the hospital's new Medical Office Building. These transactions helped ensure that Mountainside Hospital would remain open and available to serve the community.

Co is a member of the Partners for Health Leadership Advisory Council. He has also served as President of Montclair Golf Club, member of the Montclair Board of Education, trustee of Bloomfield College, as well as director of a number of Montclair-based non-profit organizations and been honored for his community service by the American Red Cross. Co currently serves on the Finance Committee of Montclair Film and is an active volunteer at Toni's Kitchen in Montclair.

Co's wife, Andree (Andie), is a longtime Montclair volunteer and broker associate with Stanton Company Realtors. They are extremely proud of their four daughters, sons-in-law and nine wonderful grandchildren, and even one granddaughter-in-law!
